

Graffiti Wall

Description

Allow your students to share their knowledge about a topic or subject through creative expression.

Materials

- Chart tablet (1 per topic covered in the lesson)
- Markers (1 set per tablet)

Teacher Preparation

Write the topic on the tablet at the top of each sheet.

Procedure

1. Divide students into groups of 4-5 students. Assign each group to a chart tablet.
2. Instruct students to share everything they know about the topic using the markers provided. Challenge them to share their thoughts through graffiti (words, pictures, symbols).
3. Call time after 2-3 minutes and instruct the students to rotate clockwise and repeat the process with another chart tablet. The groups don't take "their" tablet with them when they rotate so the next group can add their graffiti to it.
4. Repeat until all chart tablets have been visited by all groups.
