Market game won by Pinnacle View

Pinnacle View Middle School of the Little Rock School District is the state winner of the Stock Market Game program, an investment simulation competition facilitated every year by Economics Arkansas.

In all, student teams from 25 Arkansas schools and school districts received honors in the program during the spring 2020 and yearlong 2019-20 sessions.

Pinnacle View teams, under the direction of advisory Graham Goodloe, won first and second place in their region and division at both the spring and yearlong competitions, with the first-place winners increasing their portfolios to \$178,534.04 and \$208,029.73, respectively, reflecting returns of more than 78% and more than 108%. Goodloe also won the spring overall adviser and teacher divisions, and the yearlong adviser division.
